<b>February 8, 2017</b>	<b>\$250</b>
<b>March 8, 2017</b>	<b>\$250</b>
<b><u>April 8, 2017</u></b>	<b><u>\$200 (or balance)</u></b>

**Total** **\$1400\*\*\***

\*\*\*In order to keep this trip as inexpensive as possible, we will be fundraising. All participants are required to participate in fundraising efforts, regardless of ability to pay, by working the events and helping to prepare for them.

We hope to raise enough so that the cost will be \$900 per person. This number of course will vary depending on the amount of help contributed by participants and the amount of money we make at the events. Students can also fundraise individually by sending out sponsor letters to their families, teachers at school, friends, etc.

**Please be aware that the vaccinations and passports are an additional, individual cost and have a *specific deadline that must be made*. This information is in the Haiti Vaccinations and Passports Letter.**

## Vaccines and Passport Information

**VACCINATIONS:** It is strongly recommended that you work with your primary care physician to see what they can offer. You may want to schedule a yearly physical or well visit to discuss how best to prepare for your trip. Here is the CDC link regarding travel to Haiti:

[wwwnc.cdc.gov/travel/destinations/traveler/none/haiti](http://wwwnc.cdc.gov/travel/destinations/traveler/none/haiti)

1. Hepatitis A: If people are caught up on their vaccinations they probably already have this. If not, 2 boosters are required that must be 6 months apart. ***That means you must have your first booster in October or November.*** The Health Department cost is \$99.00.

2. Typhoid: This vaccine is available in an injection for \$88 or in pill form for \$77 from the Health Department. Your insurance might cover it. Must make an appointment at the Health Department:

Hamilton County Health Department

921 E 3rd St, Chattanooga, TN 37403

(423) 209-8340

Monday, Wednesday, & Thursday 8 a.m. – 4 p.m.

Tuesday 8 a.m. – 6 p.m., and Friday 9 a.m. – 4 p.m.

3. Malaria: This is a written prescription which needs to be obtained by contacting your primary care physician or walk-in clinic that will write a prescription. The Health Department will not do this. These are pills that are taken prior, during and after the trip. CVS quoted the most commonly prescribed drug as running about \$136 for a 2-week supply, but they have a discount card, and again most insurances will cover the cost with just paying co-pay.

**PASSPORTS:** Passports for Haiti need to be valid 6 months prior to travel and 6 months post. Average time after application is 4-6 weeks. ***If you do not have a valid passport or your passport will expire less than 6 months after our trip, you need to apply by November 15.***

You can find fee information in the center, gray box.

2. More info on travel to Haiti: [travel.state.gov/content/passports/en/country/haiti.html](http://travel.state.gov/content/passports/en/country/haiti.html)

Passport photos can be obtained at CVS for \$12 or at the post office. Passport applications can be picked up at the post office, but please call (423)517-9328 to make appointment before coming in (preferably on a Saturday):

**NOTE:** Both parents must be present for children under 15. Children 16/over can have 1 parent plus legal ID (i.e. driver's license). They will also need certified copy of birth certificate and old passports to send off with application; these are returned to you.

Mission Trip to Haiti with the American Haitian Foundation: June 10-18, 2017**

**Commitment Letter**

This is a commitment form for the mission trip to Haiti scheduled for June 10-18, 2017. **Your signature on this form confirms your intent to participate in this trip and that you are capable of paying the amount below.** Due to limited spots available on this trip, Catherine will interview each candidate if the sign ups exceed 15 people and determine from there who will be chosen to go.

Because the trip will be out of the country, the cost estimate of \$1400 is quite expensive. We are planning to fundraise, with a goal of providing 1/3 of the cost. Because this trip is a group effort, all participants will be required to help with fundraising. Chaperones will also pay the costs below and participate in fundraising efforts. Participants are also encouraged to fundraise individually using GoFundMe or sponsor letters.

Cost of the trip: \$1400 (estimate)

**Deposit: \$200 - to secure spot on trip. Due by the November 6 trip meeting.** Please make checks out to "St. Augustine Youth Ministry," and write "Haiti trip deposit" in the memo line.

Please fill out the following and return to Catherine no later than November 6.
